PMLA LAMBS

THE Stone Brothers of Borden achieved excellent returns from WAMMCO for recent drafts of 2005 drop Yarrowee blood wether lambs.

Marketed through Primaries' Tambellup representative Peter Sheridan on forward contract with WAMMCO, the 700 bare shorn PMLA lambs averaged \$74.

Peter said the March-April drop lambs weighed between 23.5 kg and 25 kg dressed and were a credit to the dedication and breeding and husbandry skills of the Stone family.

With some of the top lambs are Phillip Stone (left), Peter Sheridan, Jason Stone and Chris Stone.
