NORTHAM FUNERAL

THE family, friends and workmates of Stan Zuglian, Primaries livestock representative at Esperance for many years, turned out in force for his funeral at Northam on Monday.

Stan, a long-term diabetes sufferer, died suddenly at his Esperance home last week.

Primaries managing director Trevor Pedler said Stan was one of the first livestock specialists to join Primaries when the company ventured into livestock marketing in the late 1990's.

"Stan was an accomplished stockman who was always ready to teach young people coming into the industry as well as helping those not-so-newcomers with limited livestock experience," he said.

"He will be greatly missed by his family and friends and everyone at Primaries."
